Good news,

WIRAKA, the most prominent player in the cue sports scene will be organizing a tour for all potential youth snooker players to participate in the tournament

The first tour stop will kick-off at GF BILLIARDS in DEPOT HEIGHTS SHOPPING CENTRE

The second stop will be follow up at another venue.

This tour is based on a points system which will enable the organizer to rank them accordingly.

Wiraka will follow up with another similar tournament for all pool enthusiasts if this tournament proves to be successful.
